THE BIBLE IN A YEAR
FAMILY EDITION

PARENT NEWSLETTER

Imagine if, one year from now, our entire school community had read the entire Bible together! Imagine if we not only knew the stories but knew how we fit into the larger story of God's love for us. Instead of being puzzled by Scripture, we were enriched and enlivened by it and easily made it a part of our daily lives.

Ascension's new daily video podcast, *The Bible in a Year®: Family Edition* hosted by Fr. Josh Johnson, offers us the opportunity to do just that. The podcast launches January 1, 2027.

Using *The Great Adventure Catholic Bible for Beginners*, uniquely adapted for children in grades 3-5, the podcast helps families understand the big story of Scripture in an engaging, age-appropriate way and see how every part of the Bible points to God's plan of salvation.

"Stay rooted in the Word of God, so the Word of God can stay in you." That's how Fr. Josh Johnson signs off every episode of *The Bible in a Year: Family Edition*. When Scripture is encountered daily, it can take deeper root, becoming part of how people see themselves and relate to God. This podcast helps children and their families build that habit.

We invite the families in our school community to follow along with the podcast, available for free in audio and video through the Ascension app and YouTube. We'll be sharing more resources to guide and encourage you and and your families to follow along each day. We can't wait to take this journey with you!
