

Welcome to *The Great Adventure*™

“To fall in love with God is the greatest of all romances; to seek him, the greatest adventure.”
– St. Augustine of Hippo

The Bible is at the heart of our Catholic Faith—and our relationship with God. It is the living Word of God, where our Father meets with us and lovingly speaks to us. Reading the Bible should bring us closer to Christ, but understanding it is not always easy. Many people tell us they have tried time and again to prayerfully read Scripture, but they get frustrated because they “just don’t get it.”

The Great Adventure is designed so that anyone can make sense of the Bible and experience the life-changing power of God’s Word. At the core of *The Great Adventure* is the concept that there is a story running through the seventy-three books of the Bible that ties all of Scripture together and makes sense not just of the Bible but of our lives as well.

That story is God’s plan as it has unfolded throughout salvation history and continues to unfold today. Once we grasp this “big picture,” the readings at Mass begin to make more sense, our Scripture reading and study come to life, and we see how our lives fit into God’s loving plan.

Hundreds of thousands of participants have discovered the riches of Scripture by experiencing one or more *Great Adventure* Bible studies. It is our prayer that you will gain a newfound understanding of God’s Word that will transform your life and bring you closer to Christ.

About *The Great Adventure* Catholic Bible Study Program

At the core of *The Great Adventure* is *The Bible Timeline*™ Learning System: a simple way to get the “big picture” of the Bible by focusing on the story that runs throughout Sacred Scripture. *Great Adventure* Bible studies explore the biblical narrative in light of Catholic teaching and the historical, cultural, and literary context of the Scriptures to discover what Scripture reveals about God’s plan and our place within it. Studies of individual books of the Bible are supplemented by thematic and “life application” studies.

Every *Great Adventure* study is designed to foster

- Familiarity with the Bible and ease of reading it
- Bible study habits consistent with the guidelines of the Catholic Church
- Personal engagement in the Word of God
- Faith-sharing based on the Word of God
- Growth in knowledge about Scripture and the Catholic Faith

About *Ephesians: Discover Your Inheritance*

St. Paul's letter to the Ephesians reveals many remarkable gifts that we as Christians are given in the Church. This letter tells us about the nature of this Church—as a body, as a household, as a mystery, as a communion, as a bride, and as an army. It shows us the great inheritance that awaits us as adopted sons and daughters in the family of God, and it reveals how God's great love for us can transform our lives. *Ephesians: Discover Your Inheritance* will enrich your faith and show you how to live it out.

Materials

Materials for *Ephesians: Discover Your Inheritance* include:

- **Workbook:** contains engaging study questions (with session summaries, home reading assignments, and talk notes) and responses to the questions. (You will need one Study Set for every participant, study leader, and small-group facilitator.)
- **Video Presentations** (eight 20- to 25-minute sessions): in these engaging videos, Jeff Cavins presents comprehensive teaching and commentary, providing you with a uniquely personal encounter with St. Paul and his letter to the Ephesians. (You will need one DVD set to run a study.)

In addition, every participant, leader, and small-group facilitator should have a Catholic Bible and the *Catechism of the Catholic Church*. For this study, we recommend *The Great Adventure Catholic Bible*, an RSV-2CE Bible that incorporates the same color-coded *Bible Timeline* Learning System that you will use throughout this program.

How the Study Works

Every *Great Adventure* study includes four essential steps, which are designed to fit together and build upon each other. Following these steps in order will help you get the most out of each session.

STEP ONE: HOME PREPARATION

NOTE: *There is no home preparation required for Session One.*

Each session begins with personal study that involves reading Scripture and answering a series of questions that will help you understand and think more deeply about what you have read. Some questions will include additional reading from other parts of the Bible or from the *Catechism of the Catholic Church* to help you consider the passage in light of the bigger picture of salvation history and Catholic teaching.

We recommend that you allow at least 90 minutes to complete the reading and answer the questions for each session. We also suggest that home preparation be done in several sittings over the course of a week. This will help you create a habit of daily Bible reading and prayerful meditation.

NOTE: *Although the responses to the questions are provided in the back of the workbook, the richness that comes from individual insights can be lost when participants view the responses prior to the discussion. Your small-group facilitator will incorporate the points made in the responses section during your discussion time when you meet.*

STEP TWO: SMALL-GROUP DISCUSSION

One of the most rewarding parts of a *Great Adventure* Bible study is the small-group discussion. During this discussion, you and the other members of your small group will have the opportunity to share the insights you gained by reading the Scripture passages and answering the questions at home. This small-group discussion will allow you to obtain a richer understanding of these readings and will help you apply them to your life. Trained facilitators will guide the small-group discussions and keep them on track. Be sure to follow the Ten Commandments of Small-Group Discussion on page xi.

STEP THREE: VIDEO PRESENTATION

Jeff Cavins wraps up each session with a video presentation that offers unique insights and profound connections to help you gain a deeper understanding of the Bible and its relationship to the Catholic Faith, with a special emphasis on ways to apply what you have learned to your life.

At the end of each video presentation in this study, Jeff Cavins challenges participants to choose a Takeaway to further connect to the readings. After viewing the video, participants should take a moment to look over these Takeaways and decide on one to engage with in the week to come.

The study leader will conclude the session with the closing prayer provided in the workbook.

STEP FOUR: REVIEW OF RESPONSES

NOTE: *There are no responses for Session One.*

The final step—reviewing the responses at the back of this workbook—is done at home prior to beginning the reading for the next session. The responses will help you read the Scripture passages for the next session in the proper context.

For the richest study experience, complete these steps in order: (1) Read and answer the questions, (2) discuss them in your small group, (3) view the video presentation, and (4) review the responses.

Session Outline and Reading Guide

Each session in this workbook has the following sections. (Note: Session One follows a different format.)

1. **Session Questions** (used during **Step 1: Home Preparation** and **Step 2: Small-Group Discussion**)
 - A. Establish the Context
 - B. Read the Story
 - C. Take a Deeper Look
2. **Session Talk Notes** (used during **Step 3: Video Presentation**) followed by **Takeaways** (used by participants on their own for reflection at home)
3. **Session Responses** (used by facilitators to prepare for **Step 2: Small-Group Discussion** and by participants at home in **Step 4: Review of Responses**)

The following chart offers an overview of the home preparation readings assigned in each session of the study. The main reading is listed in section **B. Read the Story** and should be read before you answer the session questions. Additional Bible readings and *Catechism* readings are provided in section **C. Take a Deeper Look** and should be read as you answer the study questions for each session.

Each small group should be led by a trained facilitator.
4. Video Presentation (20–25 minutes)
5. Closing and Prayer (5 minutes)

Getting the Most Out of This Study

This study will help you understand the Bible and St. Paul’s letter to the Ephesians in a new way. The “head knowledge” you gain will help you grow in “heart knowledge” as you follow up on what you have learned. The Bible will always remain a mystery, though, and that is part of the beauty of it: We can never exhaust the treasures of Scripture. Fortunately for us, the Bible is not a subject to master; it is a place to encounter the living Word of God.

Whenever you open your Bible to read, *start with prayer* and place yourself in God’s presence. You might take Samuel’s prayer as your own: “Speak, for your servant hears” (1 Samuel 3:10). When you read, adopt an attitude of listening. Try to treat Scripture not as a text but as a personal message from God. What is he saying? What does it mean? And what does it mean for my life? If you come to the Word focused on having an encounter with the Lord, he will speak to your heart, and you will be transformed.

Responses to the study questions are provided in the back of this workbook to help facilitators prepare for the small-group discussion and for participants to review after the small-group discussion.

Participants should not review the responses for each session until after the session is completed. Although it might be tempting to look at these responses in advance, it is important to wait, for the following reasons:

1. Bible study is not about simply watching a video presentation or reading a Bible commentary. It is just as important to immerse yourself in the Word of God itself and engage it with your heart and mind. The questions in *The Great Adventure* studies are designed to draw you into the Scriptures so that the Word of God will be planted and grow in your heart. Reading a response written by someone else may satisfy your mind for a moment, but it will not result in the kind of growth that will occur if you attempt to answer the question on your own first.
2. The success of a small group depends on a good discussion. A group of participants who have spent time pondering the Scripture passages on their own will have more varied insights to discuss.

When you follow the steps of this study as intended, you will explore the Word of God in different ways: in the reading, the small-group discussion, the video presentation, and finally in the responses. Follow these steps over time and you will be more than fed—you will learn to feed yourself.
