### Sample **Bulletin** Announcement

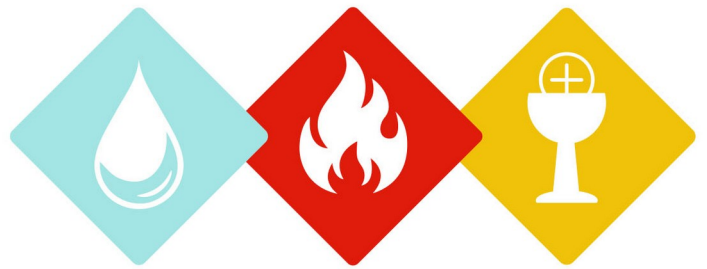

Are you or is someone you know drawn to the Catholic Faith and wondering what it means to belong?

Our parish is excited to offer a new OCIA program by Ascension called *Invited: Your Journey into the Catholic Church*. Over the course of the program, participants will explore the questions and topics relevant to the Catholic journey, from who God is and how to encounter him through the sacraments to the practical ways Catholics live out their faith.

*Invited* is about more than just knowing the Faith—it's about encountering and living the Faith. The goal of the program isn't just to deliver Catholic doctrine; it's to help people come in contact with the living God and begin to follow him! We're excited to walk alongside those who accept this invitation.
