As a Catholic, you have encountered the sacraments throughout your life. Though you probably have little memory of your Baptism, this was your first sacramental experience. Then, as a grade schooler, you were introduced to Reconciliation and the Eucharist. A little while later, you received a strengthening of the Holy Spirit at Confirmation. If you ever suffered an injury or serious illness, you may have been blessed to receive the Anointing of the Sick. If you are married, at your wedding you formed a union with your spouse that images the union of Christ and his Bride, the Church. Have you ever wondered why the sacraments are so important to our Catholic Faith? Have you ever desired a deeper understanding of these “mysteries” of the Faith? This program, *Power and Grace*, uncovers the power of the sacraments to fill your life with grace in the Holy Spirit.
