As a Catholic, you have encountered the sacraments throughout your life. Though you probably don't remember your Baptism, this was your first sacramental experience. Then, as a grade schooler, you were introduced to Reconciliation and the Eucharist. A little while later, you received a strengthening of the Holy Spirit at Confirmation. If you ever suffered an injury or serious illness, you may have been blessed to receive the Anointing of the Sick. If you are married, at your wedding you formed a union with your spouse that images the union of Christ and his Bride, the Church.

Have you ever wondered why the sacraments are so important to our Catholic Faith? Have you every desired a deeper understanding of these "mysteries" of the Faith? Our parish is offering a short, new program called *Power and Grace* that uncovers the power of the sacraments to fill your life with grace in the Holy Spirit. *Power and Grace* includes dynamic videos with all-star Catholic presenters, a beautifully designed Guidebook, and small-group discussion. *(Add dates, location details, and contact information here.)*
