“ I absolutely LOVE the Ascension Press new sacramental prep programs for First Reconciliation and First Communion! As I look through the materials, I am thrilled to see the thorough coverage of content. Each lesson is easily scalable to fit in whatever time frame is needed. The attention to detail and whole learning is amazing. The ‘Friend on the Journey’ saint piece in each lesson is beautiful and such a nice way to tie in the saints with daily living. The video segments are OUTSTANDING! I was able to show the one on Felicity’s first Confession to our class this May before they were to receive the sacrament. They sat motionless while watching and loved it! Thank you to Ascension Press for creating such a blessed curriculum. ”
