Looking to get teens to make the Catholic Faith their own? That will only happen when they understand how remarkable salvation history is. *Venture: The Bible Timeline for High School* introduces teenagers to the “big picture” of salvation history in a way that is simple to understand and easy to teach. It uses the revolutionary *Great Adventure Bible Timeline*® Learning System that hundreds of thousands of Catholic adults have used to learn the Bible. This program will get teens to open their Bibles and learn the story of their faith with a focus on God’s covenants and biblical characters. Once teens understand the Bible, their faith will become a relevant and indispensable part of their lives.

Hello, my name is \_\_\_\_\_, and I would like to take a moment to speak to our high school students today. Our parish is offering a special new program called *Venture: The Bible Timeline for High School*.

You may have been told your whole life how important it is to read Sacred Scripture, but you never felt connected to it or comfortable reading it. Maybe you have a Bible in your home and you walk past it every day and think to yourself, “Maybe I should read that.” Or maybe you walk by it and never think of it at all.

You are not alone. There are many people who look at the Bible and believe that it is old-fashioned. How can these stories and these people relate to me today, in [year].

This new program, *Venture: The Bible Timeline for High School*, will show you how the Bible is relevant and does relate to your life. Through this program you will journey with biblical characters from Genesis to Revelation to learn the story of salvation history—the story from the first covenant with Adam and Eve to the final covenant with Jesus Christ and the Church. You will learn that life struggles are universal—and that joy is universal as well!
