

How to Use This Calendar

One of the greatest gifts we can give Jesus is building the habit of daily prayer. *The Bible in a Year Perpetual Calendar* is designed to help you pray through your journey with the Scriptures, following the official reading plan from *The Bible in a Year* (with Fr. Mike Schmitz)[®] podcast.

Each calendar page includes:

- The corresponding **podcast episode title and day number**, allowing you to begin at any time of the year and follow along at your own pace
- A prayer echoing **Fr. Mike's prayer** from the episode to help you pray as you reflect on God's Word
- **The first reading, second reading, and psalm of the day**, as laid out in *The Bible in a Year* Reading Plan

Inspired by *The Great Adventure Bible Timeline*[®], each day is color-coded to show where you are in salvation history. These colors will appear at the edge of each page for quick reference.

Once you reach the end of the halfway point, simply flip the calendar over to continue through the remaining days!
